## Barn Quilts

Discover pieces of history and beauty across Scott County! The Buffalo Gals Barn Quilt Trail in Scott County, Kentucky takes you along country roads, past historic farms with barns old and new, and alongside fields where cows and horses graze, corn ripples, and wildflowers bloom. The quilt squares are a cornucopia of traditional and contemporary patterns that adorn barns, yards, and fences across the county. Built of wood and painted with care, these 8-foot and 4-foot squares are fascinating pieces of history preserved as roadside art.

*Please be respectful of the barn quilts as they are located on private property.*
